

**Final Conference of the project:  
Creating knowledge and skills in Additive Manufacturing (CLLAIM)**

Date: 5 November 2020, Online Event  
09:30 – 16:00 (CET time)

**Agenda**

- 09:30 – 10:00** **Welcome by the coordinator**  
**Introduction to CLLAIM Objectives**  
(CESOL)
- 10:00 – 10:30** **Introduction of project consortium**  
(CESOL and project partners)
- 10:30 – 11:00** **Presentation of project results:**  
**- Guidelines**  
**CLLAIM Guidelines for professional profiles**  
(EWF)
- 11:00 – 11:20* *Coffee break*
- 11:20-11:50** **- RPL scheme**  
**CLLAIM Schemes to recognize prior learning**  
(Idonial)
- 11:50-12:20** **- Piloting professional profiles: Operator**  
**Insights of experts or participants into operator pilots**  
(DVS and Fraunhofer)
- 12:20 – 13:20* *Lunch break and possible networking of participants*
- 13:20-13:50** **- Piloting professional profiles: Designer**  
**Insights of experts or participants into designer pilots**  
(Idonial and Cesol)
- 13:50-14:20** **- Piloting professional profiles: Supervisor**  
**Insights of experts or participants into supervisor pilots**  
(LZH Laser Akademie)
- 14:20 – 14:40* *Coffee break*
- 14:40-15:10** **- Piloting professional profiles: Inspector**  
**Insights of experts or participants into inspector pilots**  
(TWI)
- 15:10-16:00** **Feedback and discussion**  
**Beyond the horizon: How will the project results be further exploited?**  
**Where can they be used?**  
(NN)
- 16:00** **Farewell**
